*HELP YOUR CHILDREN DEVELOP
A BIBLICAL WORLDVIEW*
Raising Champions for Christ — Week 4

ICEBREAKER: If you could live your life all over again, would you? Explain.

OVERVIEW: Why do so many Christians act in ways that are completely contrary to the teachings of Scripture? The answer is called “worldview.” If you want to raise champions for Christ, then you must help your children develop a Biblical worldview. Without it, even if they say they are Christians, they will not live like it. If Christian parents are not intentional about worldview training, then they will lose their children to the dominance of secular humanism. In this discussion we will go deeper with how to help our children develop a Biblical worldview.

1. What insight, principle, or observation from this weekend’s message did you find to be the most helpful, eye-opening, or troubling? Explain. (Or what was your key takeaway from Sunday’s message?)
2. What is a worldview, and why is it important?
3. To help your kids develop a Biblical worldview, you must help them answer the five big worldview questions. The first question is What do you believe about God? How does secular humanism answer this question? How does Christian theism answer this question? Why is the answer of Christian theism superior?
4. Read Jeremiah 10:6 and 1 Chronicles 16:34. What are some of the attributes of God according to Christian theism?
5. Read Genesis 1:27. The second worldview question is What do you believe about man? How does secular humanism answer this question? How does Christian theism answer this question? Why is the answer given by Christian theism superior?
6. Read John 8:32. The third worldview question is What do you believe about truth? How does secular humanism answer this question? How does Christian theism answer this question? Why is the Biblical view of truth superior?
7. Read Proverbs 9:10. The fourth worldview question is What do you believe about knowledge? How does secular humanism answer this question? How does Christian theism answer this question? Why is the Biblical view of knowledge superior?
8. Is Christian theism at war with science? Explain.
9. Read Isaiah 45:19. The fifth worldview question What do you believe about ethics? How does secular humanism answer this question? How does Christian theism answer this question? Why is Christian theism superior?
10. What does it mean that morality is objective, universal, and absolute?
11. What can you do to help your children resist the pull of secular humanism and cultivate a Biblical worldview?

The Last Word: “Your worldview shapes and informs your experiences of the world around you. Like a pair of spectacles with colored lenses, it affects what you see and how you see it.” James N. Anderson, *What’s Your Worldview?*
