How can we pray for you?

Welcome to Church Acadiana!

We’re excited that you are here today. The worship experience will begin with music because we love Jesus and like to sing songs of praise to Him. We hope you enjoy it -- you’re welcome to sing along or just listen. Then Pastor Andy Manning will lead us in Bible study. Please take a few moments to fill out the **Connection Card**, introducing yourself to us and informing us of how we can better serve you. Sit back, relax, and enjoy the worship experience.

New Here?

Church Acadiana is probably different from the churches you’ve visited in the past. **Our mission** is to help people far from God become fully devoted followers of Jesus Christ. But it is **our vision** that sets us apart. Our focus is on reaching the next generation by equipping parents to disciple their kids. **We are family-integrated** — that means we keep families together and teach parents how to disciple their kids at home. **We keep it simple** — we just do three things — Sunday worship, Home Group, and volunteer. On **Sundays** you’ll experience verse-by-verse Bible teaching and passionate praise music. And our **Home Groups** are small groups of people who meet weekly for prayer, fellowship, and deeper study of Sunday’s sermon. If you’re looking for a loving church family that will help you and your family grow to maturity in Christ, then look no further.

Upcoming Events

**Meet & Greet** Get to know your church family. Join us every Sunday from 9:30-10 am in the church lobby for coffee, refreshments, and fellowship.

**Home Group** Home Group is a small group of friends meeting weekly for Bible study, prayer, and fellowship. The groups meet for ten weeks and then take a break. Get connected this week!

**Newcomer’s Lunch June 24.** Have you joined the church to become a committed, participating member? If not, sign up for the next Newcomer’s Lunch. Remember, the local church is the bride of Christ. It is worth your commitment!

**Reading Lists** Do you want to take your spiritual growth to the next level? If so, then it is time to pick up a good book. Go online to the church website and choose one of several Reading Lists and start working your way through.
