DISCUSSION GUIDE

TAKING CARE OF YOUR WALK WITH GOD

ICEBREAKER: If you could be any cartoon character, which one would you be?

OVERVIEW: Welcome to 2026! If you want to have a great year, you must take care of your walk with God. You must prioritize it. You must get absolutely serious about it. And the best way to do that is to establish the habit of a daily quiet time. If you are already in the habit of a daily quiet time, perhaps it is time to think of ways to improve it. If you are not in the habit of a daily quiet time, make 2026 the year that you begin. In this discussion we will go deeper with how to have a meaningful daily quiet time.

1. What insight, principle, or observation from this weekend's message did you find to be the most helpful, eye-opening, or troubling? Explain. (Or what was your key takeaway from Sunday's message?)

2. Have you set any New Year's Resolutions, or have you decided to make any changes in your life starting this year?

3. What do you need to do to look back on 2026 as a successful year?

4. Why is it important to take care of your walk with God?
